# Discover the new X-class at our Solution Center in Paris 28<sup>th</sup> and 29<sup>th</sup> June 2011

## European Summer Open House 2011

MORI SEIKI presents **the X-Class** - a new standard for state-of-the-art machine tools.

The **X-Class** machines are based on a new concept: Their **performance characteristics** have been **optimised and expanded** enabling **high-end technology at an unbeatable price**. A new dimension in price and performance has begun.

We will also show you highest precision and performance on our proven **multi axis turning centres** and **5 axis machining centres**.

Come see for yourself the quality, precision, durability as well as the efficiency of our products.

**We look forward to seeing you!**

**Tuesday 28th and Wednesday 29th June 2011  
from 9 a.m. and 6 p.m.**
